Abound®

WORKSTATIONS

ELEVATE YOUR
EXPECTATIONS.

SETTING A HIGHER STANDARD

Greater flexibility. Higher quality. Smarter technology. Abound offers all that and more to deliver high-performance workspaces. Every component is designed with the other in mind, such as the new open base frame, allowing the entire collection to work together seamlessly to maximize planning options. Exacting construction and sturdy materials provide rock-solid durability and keep Abound working hard and looking good for years to come. Even the electrical and data cabling was designed to offer greater capacity, faster installation and easier reconfiguration. By setting a higher standard today, Abound makes it easy to be ready for tomorrow.

CREATING A STRONGER FOUNDATION

An optional new Open Base frame brings a lighter scale aesthetic to Abound, while also enabling easier cleaning underneath the panels and allowing for continuous airflow.

SPACES THAT PERFORM

From reception areas and open environments to teaming spaces and private offices, Abound's mixed materials, tiles and finishes complement any existing décor and create a unified aesthetic. Straight lines, crisp edges, and rectilinear worksurfaces fit precisely together to create a tailored, architectural presence. With a variety of layout options and compatibility with HON storage and freestanding desks, the options with Abound are endless.

TEAMING WORKSTATION

Balance collaboration and privacy with shared worksurfaces and panel dividers.

UNIQUELY YOU

Regardless of your style, Abound allows you to express it with a mix of tiles, materials, and finishes. Combine tiles to make your office look and work just the way you want. Corporate or casual, relaxed or refined...your image options are endless. So get organized, enhance communication, boost privacy, support technology, open things up, make a statement: Abound does it all.

A. TILES

Ready for a new look? You can easily switch out tiles to achieve different aesthetic or functional goals. Tiles can be placed in interchangeable positions up and down a panel frame.

B. STORAGE

Factory-assembled overhead cabinets and modular storage components are easy to install and allow everyone to customize their storage around their specific needs.

C. ORGANIZATION

Keep everything neatly tucked away with a variety of organizational tools, including paper management solutions, folder bins, CD holders, and more.

D-E. POWER UP

Position power and data outlets at the desktop, panel base, or both. Lay-in capabilities—electrical and data in the baserail or data in the top channel—expand cabling capacity and make reconfigurations easy.

MILES OF TILES

Support all the various work styles of an entire office with a range of tile options, materials and fabrics. Panels stack up to 110" high, for practically unlimited expansion. Tiles can be placed in interchangeable positions up and down a panel frame, for greater design flexibility. The selection accommodates any vision—and practically any budget.

FABRIC

Tackable and acoustical, powered or not.

FROSTED GLASS

Welcome light into the work area while offering increased privacy.

CLEAR GLASS

Increase access to natural light and views.

PLAINS

Evoke nature with a fluid, organic pattern.

SLOTTED TOOL

Metal accessories can be painted to coordinate with panels.

MARKERBOARD

This magnetic tile is a great communication tool.

HARD-SURFACE

Easily wipe clean in high-traffic areas, or add the warmth of woodgrain.

FRAMELESS GLASS TILE

Provide access to natural light and create clear sightlines.

OVERVIEW

THE SOLID CHOICE

As good as Abound looks, it's even better on the inside. Metal panel trim, frames and connections give Abound superior strength. The solid structural integrity, high quality materials and superior construction are designed to withstand reconfiguration. Even the overhead storage cabinets are factory-assembled to ensure long-term use. Add in the confidence of the HON Full Lifetime Warranty and you can be sure your investment is protected for as long as you need it.
